H. Kiemeny Passes

Hubertus Kiemeny, 61, well known farmer in the Strathmore district for several years, passed on quite suddenly early Wednesday morning at his home. His passing was the result of a stroke with which he was seized on Tuesday evening. He had suffered a previous stroke about two years ago.

The late Mr. Kiemeny was born on May 24, 1886 in Lougen, N.D. Hoffman, and lived there until he came to Canada about 34 years ago. Since that time he has farmed in the Strathmore area, where he was well known, and well liked through both the town and the countryside.

Requiem mass will be celebrated in the Sacred Heart Church on Saturday June 14, at 10:30 a.m. and prayers will be said in the church on Friday at 8:30 p.m. Services will be in charge of Rev. Father Gibbons, and burial will take place in the Catholic Plot in the Strathmore Cemetery.

Surviving Mr. Kiemeny are his widow, Adriana, a daughter, Teresa, and a son Andy, all of Strathmore.

CREDIT UNION MEET

The Monthly meeting of the Strathmore Community Savings & Credit Union was held in the Town Hall on Thursday, May 29. Due to the absence of the president, Mr. G. B. Anderson, the vice-president, Mr. J. A. Tench, occupied the chair. The financial statement for the month showed a very sharp upturn in business, in fact it was by far the busiest month since the Credit Union has been in operation.

A fairly large number of members were present and the numerous discussions were spirited and lengthy. The next meeting will be held on Thursday, June 26.

Sewing Display at Household Ecs. Group

Mrs. Kimmitt and her class comprising Grade IX and Home Economics Class I and II girls were at home to a large number of Mothers and other interested guests Friday afternoon at Mrs. Kimmitt's rooms.

The many articles were well placed on the walls, giving an excellent exhibit of the various pieces.

Miss Bernice Kondo presided at the Tea Table and the many girls made careful waitresses in serving dainty refreshments.

Following this, Mrs. Kimmitt led her guests in a "tour of inspection" explaining the intricacies and difficulties to be overcome. The result showed the girls had successfully mastered these under the careful direction of their teacher.

This work is of much practical value and will prove of great help to the girls. They showed much interest and enthusiasm in their finished articles.

Thanks of Red Cross

That many kind hearts and clever brains in the Strathmore vicinity still recognize the vital need of the 'Red Cross' is proved by the excellent response to the 'Drive'. The sum of \$1428.12 was collected, and with gratitude forwarded to the Calgary Division. Everyone will appreciate the fact that the organizing of the 'Red Cross' in peace time, is quite different from the 'Red Cross' in war days. Now the order is that all monies from the yearly drive be sent to the National Headquarters from where it is spent by those 'in the know' to the best advantage for humanity. Once again warm thanks to the organizers and collectors and to all who responded so generously.

Memorial Rank Canvas Opens Monday, 16th

Canvassing for funds for the Memorial Arena by the Community Council will commence on Monday, June 16th, and will continue until the end of the month on Tuesday night. This canvass is hoped to raise sufficient funds to enable the committee to go further along the way of building.

In order to get ideas of the general public, it is expected that a general meeting will be called once the fund has been raised, at which detailed building plans will be submitted. Ideas and alterations may thus be worked in to make the arena fit local conditions, and represent the spirit of the public.

The canvassers and their areas are listed elsewhere in this issue.

We Thought It Was Only in the Funnies

We used to find amusement (and still do) in reading of jigsaws endeavours to elude Maggie in trying to attend the Axe-Handle Maker's Ball, or the Steam-Whistle Blowers' Picnic. Possibly we were, particularly because we were safe in our knowledge that the "funnies" bore no relation to real life.

So it was with still greater amusement, and a sense of truth in the funnies, that we heard the announcement of the "Gravel-Crusher's Ball" at Carlsland. Here, it seemed to us, were the funnies come alive. Of course, it couldn't be real. Who ever heard of a "Gravel-Crusher's Ball" at Carlsland? Or anywhere else, for that matter. Sure, this was just something from the comics. And a good joke, at that.

Well, it may be from the comics, and it may be a good joke, but just the same it's going to be. And it's going to be at Carlsland. We feel sure that everyone will have just as good a time as if they were themselves characters from the "funnies."

WEDDING

SPARKS — BRAATHEN

The marriage of Margit Braathen, daughter of Mr. and Mrs. Braathen, Posttown Saskatchewan, and Charles Cecil Sparks of Innisfail, took place in the Standard Lutheran church Saturday June 7.

The bride, who was given in marriage by her brother-in-law, Mr. C. Erickson of Hussar, wore a blue dress-maker suit with white accessories. Her corsage was of pink roses and her only jewelry, a gold wrist watch, a gift from the groom.

The bride was attended by her sister, Miss Beline Braathen, who wore a brown suit with white accessories, and a corsage of cream roses.

Mr. Ralph Moffat was groomsmen. Miss Ellen Reid played the wedding march. Messrs. Paul Reinhold and Richard Andersen ushered.

A reception was held at the home of the bride, Mrs. J. Nielsen of Chancelor, where a three tiered cake flanked by pink and yellow carnations was arranged on the bride's table.

Mrs. L. Pang, aunt of the groom, Messrs. Eidel Andersen, Ellen Reinhold and Marie Petersen assisted in serving some 30 guests. Out of town guests were Mr. and Mrs. Chris Hansen and Dorothy, Mr. and Mrs. G. Evans and Hazel all of Calgary. Miss Beline Braathen of Carls, Saskatchewan, and Mr. Ralph Moffat, Red Deer.

The bridal couple left later for a honeymoon in Banff and other points.

Cadet Corps Run Good Show

Both girls and boys of the Cadet Corps were inspected by Captain Davies, Cadet Officer of M. D. 13, in Strathmore last Thursday afternoon. Both groups were very strong.

led by Capt. Olsen Bowser, the groups both marched past, following which the boys gave an exhibition of the various phases of training they have gone through in the past year, while the girls gave a display of physical training. Many parents and school children crowded on the grounds to watch both displays.

The groups were complimented by Captain Davies, who assured the continued support of the boys work. 40 funds have been allocated for extension of work with the girls, though he suggested that he hoped they could carry on.

A firm titled "10,000 Cadets" was shown to the groups afterwards.

Much credit is due the leaders of the Corps, Mrs. Alice Polley, Mr. J. Crellin and Mr. W. L. McKenzie for the fine showing made by these groups. They have all put in long hours of training with the groups.

CANADIAN LEGION

Discussion of the establishment of a Memorial Scholarship for members of families of Legion members at the meeting of the Strathmore Branch on Tuesday night resulted in the appointment of a committee consisting of D. S. Brook, H. C. Wilkins and K. M. Hagen to investigate the possibilities, and report to a later meeting. The scholarship has been suggested for the year 1948, and would be for grade XII students.

Bob Hagen was welcomed as a new member of the branch. A bee was arranged for Sunday next to take care of the remaining work on the fence, and the grounds. It is hoped that this will end the work needed to be done.

Announcement of the Annual Picnic was made at the meeting. The Picnic will take place on Sunday June 27, at St. George's Island, on Sunday June 27.

A novel feature of the entertainment was the quiz program provided by the entertainment committee. A team consisting of Gail Robison, Rose Martin, Walter Boissevain, Fred Wilkinson and Doug Hirtle were winners while Harley Wilson won the prize for the consolation team.

HUSSAR NOTES

—By Mrs. J. S.

Welcome rain fell on Sunday, and 1.25 inches of rain had fallen at 8:00 a.m. Monday. This should give sufficient moisture and give the crops a boost.

Several attended the Grand Chapter session of the O.E.S. in Banff last week.

Seed Growers Meet

Strathmore and District Registered Seed Growers will meet on Friday night to go further into the matter of a seed cleaning plant in this area. It is understood that the response to the meeting on Friday, June 6, estimates for the establishment of a seed-cleaning plant will be presented to this meeting.

Mr. Story representing a seed-cleaning supply firm in Calgary, will be present at the meeting to give figures, and detailed particulars.

After their return, they will resume work at Innisfail Alberta.

Catholic Youth Hold Huge Social

On Friday, June 6, some 270 young people gathered at the Memorial Hall in Strathmore for the regular quarterly meeting of the Catholic Youth Federation of the Drumheller Diocese which the C.Y.O. of Sacred Heart Parish played host to visiting groups from Drumheller, Rockyford, Beiseker and St. Joseph's parish in Calgary.

The business meeting was called to order by the Deacony, resident, Miss Mary Hickey of Drumheller, who called on a delegate from each group to read a report of the year's activities, the report from Strathmore being read by Miss Helen Keeler. After discussion regarding future activities, plans were laid for the participation of the C.Y.O. in the Eucharistic Day to be held at Rockyford early in July, when it is expected that some 700 will attend. On invitation of the Rockyford group, it was decided that the next quarterly meeting will be held at Rockyford.

Speaker of the evening was the Deacony Chaplain, Father Tennant of Beiseker. He held the close attention of his audience by a very challenging address, stressing the responsibilities of youth in the world of today.

At the close of the business meeting, Miss Helen Keeler welcomed the guests, as president of Sacred Heart C.Y.O., expressing the pleasure of the local group in playing host to so large a number of enthusiastic young people.

The musical program was opened by Miss Odella Verweire, singing "Sonata" and "It's a Grand Night for Singing" followed later by Miss Patricia Hermanson singing Gounod's "Ave Maria" and "A Heart That's Free"; both artists being very capably accompanied by Miss Geraldine Van Tighem. The singers and their accompanist were warmly applauded.

An interesting feature of the program was the radio program given by members of Sacred Heart C.Y.O. of the way in which they have applied the method used in the "Twenty Questions" radio program to their religious study clubs. This demonstration proved so interesting that the visiting clubs expressed their intention of adopting this method for their discussions in the future. Those taking part in the demonstration were Helen Keeler, Odella Verweire, Jean

WELCOME

JUNE 16 - RED CROSS - JUNE 21

Dear Friends,

Hitherto you have responded to 'drives for money' — now it is 'drives for blood'. When the canvassers call please give them sympathetic hearing, and if you are blessed with health and strength, show your thanks by enrolling as a Blood Donor, which means 'saving life'.

Phoebe Patrick

Mrs. Marcum will be in Dr. Giffen's office both morning and afternoon during the week of June 15 to June 21 for registrations.

CARSLAND RINK READY TO GO

All materials for the erection of the Curling Rink at Carlsland are now on the ground, and it is planned to get to work almost immediately on actual construction. A committee, organized on Wednesday that this will be necessary in order to avoid ruin, to having season, and then harvest. A regular "bee" was conducted by men of the road gang on Monday night, when they hauled all the gravel necessary for the foundation for the rink. Citizens of Carlsland appreciated this gesture so much as to organize a grand welcomer roast at Wyndham Park for the men, where guests of baseball between the men and the Carlsland ladies gave a great deal of fun to all.

Lumber for the building arrived in Carlsland early last week, and the cement has been on the ground for some time.

Backs, Bill Keeler and Herman Van Bavel, with Mrs. Albert Desmet acting as Mistress of Ceremonies. Miss Mary Hickey made a guest appearance on the panel.

At the close of the program the hall was cleared for dancing, Bremner's Orchestra supplying the music. The ladies of the parish had prepared an abundant lunch, which was served at midnight with members of the C.Y.O. assisting, after which dancing was again resumed.

Much credit for the success of the undertaking is due to Stan Cockx, who very efficiently directed activities throughout the evening.

W.I.D. FIELD DAY

The recent rains will no doubt bring forth good stands and cause lots of standing of the grain crops. This calls for irrigation, otherwise the heavy crops will suffer when the hot weather comes. Water users should ditch their fields as soon as possible and irrigate before the crops suffer.

Do not forget the Field Day and Basket Picnic for residents of the District at Emil Gammeter's farm near Tuxford, in the Drumheller District on Friday, June 20th. The field crop inspections start at 10 A.M. Standard Time. Tea and coffee will be provided at 12 o'clock. Livestock program will start at 1:30 P.M.

Irrigate the hay and pasture even if it rains.

LEGION AUXILIARY

Thirty-eight members were present at the meeting of the Women's Auxiliary held Monday evening, Mrs. Tew presiding.

Mrs. Ted May tendered her resignation as convener of the entertainment committee as she expects to leave to reside in Calgary before the next meeting. The following were appointed as the new committee: Misses Frances Jones, Gwen Tew, Irene Wilson and Mrs. Jane Bisacre.

The Auxiliary agreed to assist with the Blood Donor Clinic to be held in the near future.

Some discussion as to redecorating took place and plans were made. An interesting musical quiz was held in which Mrs. Harriam and Miss Irene Wilson were the winners.

Two new members were initiated after which a jolly social hour was enjoyed.

C. Scott Heads Lions

Election of officers was the main note in the meeting of the Lions Club in the Memorial Hall last Thursday, resulting in the election of Charles Scott as president following Charles Harvey. Mr. Scott will take over as president in July.

An excellent dinner was served to rather a small group of members, the caterers being Messrs. C. Harvey, L. Hilton, and H. Woldum. Included in the gathering as guests were a number of Junior Lionesses who had helped in the concession at the baseball tournament on the 24th of May.

Other officers elected were: 1st vice president, G. B. Anderson; 2nd vice, S. H. Crowther; 3rd vice, John Scherer; Secretary, W. E. Springthorpe; Treas. W. E. Thompson; Tall Twister, S. C. Caldwell; Lion Tamer, Rev. D. A. Ford. Directors elected were Keith Baldwin, H. Woldum, and C. Cole.

A vote was taken on the time of meeting, and it was decided to hold the meetings on Standard Time.

Letters to the Editor

The Editor,
The Standard,
Dear Sir:

(In a long letter, dealing with many of the results of the Alberta Farmers' Union delivery strike last year, Mr. Boutilier shows that the membership was increased by 15,000 new members, and almost doubled. We here reprint only his comments on the five causes of strikes.)

Let us now deal, point by point with the 10 clauses embodied in our strike action ballot, and in our brief to the government last year, and see what has been achieved in less than one year from that date.

(1) The establishment of a fact-finding board: In regard to this matter, we must give consideration to the Agricultural Prices Support Act, being on the Statute Books for two years

and no move was made to have it function or brought to light, and while in our opinion, it falls short of administering the "Parity Price" policy, it nevertheless does contain some parity price features. The administrative board under this Act could be recognized in a Fact-finding Board. The gain made by the U.F.C. and the A.F.U. is reflected by each organization having an official representative on the Advisory Committee to this Board. Time alone will tell if this Act can perform the principles of "Parity Price".

(2) Price level on all farm products set as soon as parity can be established by fact-finding board. The initial guaranteed price of \$1.25 was jumped to \$1.35 per bushel of wheat. The British Wheat Agreement called for \$1.55 for two years, the balance of wheat for export to be sold on the

world market, and the difference between \$1.35 and the world price was to be put in a five-year pool and the surplus paid to the farmer at the end of five years. While we do not agree with the entire workings of this legislation, it must not be forgotten that this Union was the only farm body in Canada that voiced its disapproval of the price paid in the agreement, and asked that \$1.55 a bushel be paid as initial price to the farmer. While there is no change in the initial guaranteed price of \$1.35 per bushel for wheat, attention should be given to the annual surplus earnings of each year to find the final per bushel price, and how such price compares with Parity. Participation payments should be made each year.

(3) Satisfactory floor prices for farm products. Hog and cattle prices have been established but hog prices advanced and will be further advanced next September. Although the equalization payment on barley and oats has been discontinued, the new barley and oats prices show a price increase. This has been revised from time to time and there will be a further change to this at the end of the 1946-47 crop year.

With regard to the present Domestic Price System on wheat, whereby the Canadian farmer has been subsidizing the Canadian consumers to the tune of some \$16,000,000 a year, Mr. Jas. A. MacKinnon promised that the subsidy paid to the millers would be taken off. This promise has been fulfilled in March, 1947.

(4) Immediate removal of all increase in machinery prices since 1944 level, or farm costs to be reinstated as of September 10, 1945. This we were told is almost impossible of expectation as it would involve in many cases, a backward readjustment of wages for which branches of labor workers had engaged in strike action to secure. When farmers have plenty of money and workers have secured parity of income, then these two strong movements must combine their forces to exercise legislative control of profits. So long as profits are allowed to mount as they have done in the past year and since the release of controls — as President E. S. Sullivan of the National Association of Manufacturers bluntly warns, "If constant upward mounting of profits are to continue, you'll see one of the most terrible busts this country ever had." Such over anxious business men are indeed making a killing now but they are killing their own markets and prospects for the future.

(5) Removal of the 3 cent federal gasoline war measures tax. This Federal tax has been removed, and has been transferred to the Provincial Governments under tax transfer agreements, and we were successful in having it removed for Agricultural purposes both in Saskatchewan and Alberta. No increase in the price of gas can be prevented unless we have the co-operation of the Government.

(6) Co-op. institutions should not be considered in the same category as joint stock companies and should therefore not be subject to any corporation or income tax. This is far from satisfactory, and the farmers' Co-operative leaders should be urged to press for removal of those features that in effect, classifies such co-operative enterprises in the same category as joint stock companies, and now subject to 5% tax. Here is a job for the leaders of the Co-operatives to do, and it looks as if the A.F.U. will have to step into the battle and help them out. Why? Because their membership

is our membership and they deserve protection.

(7) Income tax laws to be amended to conform with the brief presented by the Canadian Federation of Agriculture. There have been some beneficial changes in the Income Tax Laws and we believe the brief presented to the Government recently pointed out many of the injustices in the Income Tax regulations as they are administered and as they affect the farmer. The Government intends to overhaul the administration of the Income Tax, but the administration of these laws should be closely watched, also further representation made to get the odd ends cleared up. (A report of this has been sent to you previously.)

(8) Abolition of the Winnipeg grain exchange. Since the original submission, the life of the Canadian Wheat Board has been extended to 1950 and by legislative enactment, the Board has been endowed with powers to take control of all grains when deemed necessary during this period. Our battle here will be 1950, so be prepared.

(9) Revision of freight rate policy which discriminates against western Canada and Agriculture particularly. Regional hearings will now be held June 23 to 27, 1947, in Edmonton. The A.F.U. can take a great deal of credit for this regional hearing and is one farm organization that is compiling data on concrete cases of discrimination and our case will be argued before the Board of Transport Com-

misioners during that week. All A.F.U. members are invited to be present during these hearings. The outcome of this matter cannot be actively dealt with after the hearings are held. This shows again, the A.F.U. together with the U.F.C. are fighting to have Agriculture recognized in our post-war set-up. So stand by us — we're trying.

Summing up the above analysis will show that considerable changes have taken place to indicate that greater beneficial attention has been given to the farmers' demands, and although our demands have not been fully implemented, we have no hesitation in stating that the consequent progress has justified Western farmers in their 1946 non-delivery strike action.

Yours very truly,
Alberta Farmers' Union

CLUNY

by Mrs. B. R.

Little Bobby Spliedt had his tonsils removed a week ago Saturday at Bassano hospital. He is doing fine.

Mr. and Mrs. Inman have their son and daughter-in-law and family from Cranbrook, B.C., here to visit them.

Mr. John Reilly was taken to Calgary hospital when it was learned he had pneumonia. We wish him a speedy recovery.

Mrs. Wm. Stewart spent two days in Calgary last week.

Mrs. John Reilly has been sick the last few days, we wish her a speedy recovery.

Mrs. I. Goldsmith spent Tuesday in Calgary.

Mr. and Mrs. A. L. Ajodin of Anereby, Saskatchewan, have bought Mr. Carl Herman's farm west of Cluny.

Mr. and Mrs. Frank Graham and Mrs. Arkell motored to Bassano last Monday.

Mrs. Rose Konechuk was a visitor at Edward's and Reinecke's Saturday.

We are glad to hear Mr. Earl Clarke is home from the Bassano hospital.

Miss Cathie Goldsmith was visiting her mother over the week-end.

Mrs. Inman was in Calgary last week.

Scotty Keir and Eric Berger made a business trip to Calgary over the week.

Mr. and Mrs. Edwards had Arrowood visitors on Saturday.

CARSELAND

Mrs. N. Holden of Manville is visiting with Mr. and Mrs. George Haynes.

Miss Dorothy Innes and Miss Ruth Van Sickle of Calgary were weekend visitors at the tea-house.

Mr. and Mrs. W. Carpenter and Niel of Calgary, Mr. and Mrs. H. Mathews

Mrs. Ralph Telford went to Bassano Saturday.

Mr. and Mrs. Wheeler have Mrs. Wheeler's parents here from Brandon, Manitoba, to visit them.

The Womens Institute held its regular meeting at the hall last Thursday evening. With Mrs. Ries as hostess, and an interesting Roll Call on Famous Canadian Women.

Mrs. Souerville reported collections for the Cancer Fund drive amounting to \$62.00. She was assisted in this work by Mrs. A. Prowse, Mrs. Nelson, and Miss C. Corbitt. A very interesting paper entitled A Review of Community Citizenship in Cluny was given by Mrs. Nelson. She stated Citizenship is not in just coming out to vote on election day, it requires genuine love will toward ones neighbor.

Birthday raffle donated by Mrs. E. Reilly and Mrs. Ries was won by Mrs. A. Prowse. Entertainment was by Mrs. D. Clarke. Mrs. Simard winning the prize of a cup and saucer.

A delicious lunch was served by Mrs. Inman and Mrs. Nelson.

and Keith of Medicine Hat were Sunday visitors with Mr. and Mrs. W. Gillespie.

Mr. and Mrs. Dodd spent the week-end with Mr. and Mrs. C. E. Cole before returning to their home at Vancouver.

Mrs. Humble of Calgary is staying at the home of Mr. and Mrs. Field while visiting with her granddaughters, Bernice and Winnie.

Mr. and Mrs. Don McKinnon spent the week in Edmonton and motored back with friends by way of the scenic Jasper Highway.

The Carseland Community put on a mammoth welter roast last Tuesday in honor of the gravel haulers for their services rendered towards the building of the curling rink.

A ball game between the gravel haulers and the Carseland ladies provided many laughs and left everyone in a good mood for the evening party. Music supplied by the Stankmull, Rhythmic Rascals enchanted many couples into dancing on the dirt dance floor. Among the approximate 300 people present there were many good singers and the community singing was another highlight of the evening before the well attended party broke up.

The Melendy, Garnett and McKenzie families spent the weekend picnicking and fishing at the Lake.

Ma and Mrs. Ken Hilliard spent the weekend visiting with his brother at MacLeod.

THE AMAZING DEVELOPMENT

in farm machinery

100 YEARS AGO, two good men with a cradle and rake could cut and bind three acres of grain in a day. Then there still remained the laborious task of threshing the grain with a flail on the barn floor.

Today one man with a Massey-Harris self-propelled combine can cut and thresh up to 50 acres in a day.

Just think of the tedious, back-breaking labor in cultivating, seeding, harvesting and threshing which the farmer of today escapes through the use of modern farm machinery.

The development of labor-saving farm machinery in which Massey-Harris has played a leading part since 1847 has had an important bearing on our daily lives. Before 1830 the farmer produced mostly for himself and his family; today he raises crops chiefly to sell. The huge increase in farm production brought about by farm machinery during the last century has been an important factor behind the rapid climb in the standard of living both on the farm and in the city.

Today at the beginning of the second century of its history, this company looks forward to a continuance of its service in helping the farmer to produce more and better crops, easier, quicker and at lower cost.

Don't shoot it, when heavy-duty machine begins to be used, grain can be cut by hand with a "cradle"

Massey-Harris No. 21 Self-Propelled Harrow-Drum

With this machine you can cultivate large areas of land, faster, cheaper, and more efficiently. It's built with gas and oil. Choice of a harvest speed with constant clutch speed means ideal operation in any crop condition.

GUEST EDITORIAL

To the men who served in the first Great War a fitting and lasting Memorial was built in the form of a Hall, which has been a real asset to our community and is a structure of which we are rightfully proud.

This building has in no sense of the word been ornamental, but has served a very useful purpose in providing accommodation for the entertainment of the residents of the community both young and old.

To the men who served in the second Great War it is our obligation to erect a Memorial to commemorate the service and sacrifice made, and I cannot help but feel the only appropriate way to do this is in the erection of a structure which will not only last for years but at the same time be of some service to the community, so that all those who take advantage of any of the facilities provided will be the more impressed with what it actually stands for and the cause of its erection will never be forgotten.

At the present time our Curling Rink is too small and the Skating Rink is in such condition as to be no incentive to encourage skating, hockey or attendance at games. In other words we are badly in need of more up to date facilities for this form of recreation.

Many communities no larger and no more prosperous than ours have through well organized efforts erected, during the last 2 years, Rinks which provide a real service to the Town and district and make our present set up look very inferior.

According to the expression of opinion at the last meeting of the

Curling Club, I believe it is their intention to erect a new Curling Rink in the event our plans for an Arena to accommodate both Curling and skating fails. Should this transpire, our chances of getting suitable skating and hockey facilities will be set back several years.

In providing a Curling Rink only it serves a big percentage of the adult population but is of very little use to the younger generation many of whom will be offspring of the Service men to whom we propose to build this Memorial, and I am sure you will all agree that any real worthwhile project should also take their physical and spiritual well being into consideration.

It is my sincere belief that we could not in any way pay a greater tribute to the service and sacrifice made by the men in the last War than to erect this Arena as a Memorial which would serve both young and old for many years to come.

Your committee obtained a definite ruling from the Income Tax Inspector, whereby any donations made to this project will be classed as donations to a charitable organization which permits up to 10% of earnings to be deducted before computing tax.

As Mayor of the Town, I am convinced the Community Council could not in any way be of a greater service to us than by carrying this project through to completion, but this can only be achieved by receiving the generous support from everybody in Strathmore and district.

I therefore appeal to you to contribute both financially and in volunteer

—By B. W.—

Mr. and Mrs. Smith have their daughter and son-in-law, Mr. and Mrs. Day of Vancouver, visiting them.

Mr. and Mrs. Drake spent the weekend with Mr. and Mrs. R. Lytle at Three Hills.

Mr. Smith is confined to bed with a heart ailment. We wish him a speedy recovery.

applications to ensure the coming of the Mobile Chest X-ray Unit; and your applications should be in at once.

The Hussar Ladies Aid will meet at the home of Mrs. Made Jensen on Thursday, the 12th. Fathers' Day will be commemorated at this gathering. All women are welcome.

Mr. and Mrs. MacDonald have their grand daughter of Drumheiler, visiting them.

We are sorry to report that Mrs. Hartell has had a set back and is not feeling at all well. She returned to hospital early this week.

On Wednesday 7th, the W.W. Club went on a tour of the Calgary Brewery and Fish Hatchery after which they had a Banquet at Peterson's. To complete the afternoon, everyone went to a show.

Mrs. F. Cramer is to go into the hospital on Wednesday to have a gaiter operation. We all hope for a speedy recovery.

It is sensible to buy or sell used articles. The cost of classified advertising is small, but the results are big.

*A MOTHER may die
unless You give blood*

Of all Canadian women who die in childbirth, every fourth mother dies of hemorrhage. Three-quarters of these mothers can be saved . . . with but a small gift from you.

A great new civilian Blood Transfusion Service has been opened by the Canadian Red Cross. This Service will supply hospital patients across Canada with whole blood and plasma . . . FREE . . . not even a Hospital Service charge, to be used for life-saving transfusions.

Volunteer donors are urgently needed to build up the blood bank. After you register you will be asked to donate blood only two or three times a year. And each time you donate, you help save someone's life and restore that person to friends and loved ones.

Contact your local Red Cross Branch or Clinic and tell them—"Yes, please enroll me as a blood donor. I want to give blood to save someone's life!"

LANGDON NOTES

— By G. E. W. —

Wednesday afternoon June 4, the W.I. held their regular meeting and a ten members were present. Owing to the bad roads Mrs. Buntain, president, was unable to attend, her place being taken by Mrs. A. Watson. Business matters were attended to after which the Convention report was given by Mrs. A. Watson. A very delicious lunch was served by the hostesses, Mrs. Blue and Mrs. Kernaghan.

The next meeting will be June 18, when the members are asked to bring their handicraft work for display. It is hoped as many as possible will attend, as arrangements are to be made for the forth coming W.I. Conference to be held in Strathmore on June 20th.

Mr. and Mrs. Geo. Thubron and small son Garry of Red Deer stopped in at the home of the latter's parents, Mr. and Mrs. E. T. Moe, enroute to Banff, where Mrs. Thubron will be delegate to the Eastern Star Convention, returning Saturday to pick up young Garry.

On Sunday afternoon, Mr. and Mrs. Fred Dain, Mrs. Sally Dain Sr. and children motored to Calgary where Mrs. Dain Sr. enjoyed an outing with friends, she attended the 50th anniversary of Mr. and Mrs. Boyce going on to the home of her son, Frank, where she enjoyed supper.

Mrs. Fred Dain visited with Mr. and Mrs. McLean of Morrin, who are staying at the Auto Camp. Fred and the family also dropping in for chicken supper at Frank's.

The road gang are busy on the east roads, making it very inconvenient for the farmers out that way; but who minds the inconvenience when good roads are in sight?

We are very glad to report that Mrs. K. Albertson is home with her family after spending some time in hospital, we hope she continues to get stronger and that she will be out again when the weather warms up, and attending Institute meetings that she so much enjoys, and since we love to see her there.

Miss Bernice Anderson became the bride of Mr. Jack Bates Jr. on Tuesday evening June 3, in Calgary. After the honeymoon they will reside at Cochrane Alberta.

Word has been received by Mrs. W. Page of the death of her brother-in-law, at Salmo, B.C. Mrs. Page and Pat left today to spend a few days with her sister and family.

Mrs. Geo. Whitney entertained at the tea hour on Tuesday afternoon June 10 in honor of her sister, Mrs. Rose Leslie of Yokima, Washington, who is spending the summer with her father, Mr. Dick, at Carleton Place.

Classified ads are many things to many people. They are buyers for one and sellers for others. They do big things for small costs.

THE TIME..

is HERE!

Mon., June 16 the Canvass is on

The objective is \$20,000. This can only be attained by the full support of everybody in our community.

The Strathmore Community Council has taken the responsibility of organizing the drive for funds, of assisting in drafting the plans for the building, of organizing the construction and of managing the structure when completed. The proposal has the support of the Strathmore Branch No. 10, Canadian Legion, Strathmore Lions Club, Curling Club, Hockey Clubs and the Merchants of Strathmore.

The time has now come for ACTION. Starting Monday June 16, the canvassers will contact personally all those in the district and receive contributions. A ready response to the appeal of these canvassers will make their task much lighter. The names of the canvassers appointed as representatives of the Community Council, and the areas they will cover, are shown in the panel on the right.

The Income Tax Department has classed this as a charitable project. In making donations to this fund, bear in mind

that they will be exempt on your Income Tax.

The Strathmore Community Council wishes to take this opportunity to thank those who have promised support and sponsored the advertisements for the Memorial Arena project.

Get into the effort with the others! Let's all pull together to make this a real community effort, and so show tangibly our gratitude to those who have served in the Empire's forces.

Donations will be kept in trust for this purpose only. Cheques should be made payable to the Strathmore Community Council Memorial Arena Fund.

C. MACKIE, H. FAWKES.— all south of main road running east and east of road running south of town.

Jerome Hansen: "You know, that college turns out some great men." Homer Schumann: "When did you graduate?" Jerome: "I didn't graduate. I was turned out."

EVERYBODY'S BUSINESS

Is the man who keeps informed on current affairs more likely to succeed?

I believe so. Most of the men I know who hold important jobs are interested in market trends, soil erosion, labor issues, politics and other topics of general importance. They can talk fluently and intelligently about such matters and usually their opinions are definite and well thought out.

This is not a coincidence. Rather, I think, it is an indication of a quality of mind which "thinks big."

"But I'm not interested in politics. They don't concern me," you may say.

The truth is — they do concern you and everyone interested in preserving our democratic way of life. And other vital current issues have a similar bearing on your individual world.

Enlarging our interests in these ways is not only good citizenship; judging by the examples of successful men, it also helps you get ahead.

Here is a fact which every Canadian should know: The combined investments in Life Insurance by over four million Canadians are an important factor in stabilizing the nation's economy.

Len Hilton tells of the time he was collecting funds for the church, and called on a neighbour. His neighbour, running on a streak of hard luck, refused to give anything.

"I ain't got nothin'," he protested. "I owe practically everybody in this town."

"But don't you think you owe the Lord something, too," asked Len.

"I sure do," agreed his neighbour, "but he ain't pressin' me like my other creditors."

Syd Coldwell claims every woman wants to marry a strong, masterful man who will do exactly as she tells him.

Norman Dingle: I understand the two men were fighting with chairs; didn't you try to make peace between them?"

Jack Bremner: "There wasn't another chair in the room."

Shortly after children are born, says Eddie Risdon, they reach the age when they are the most trouble. Then they stay there.

Boiled down, her divorce testimony was, in effect, that before her marriage, he said nothing would be good enough for her, and that after marriage he still seemed to think it was.

Maternity ward: The only place in the world where there isn't a chance of dodging the issue.

A psychiatric board was testing Frank Hlesacre in the army. "Do you ever hear voices without being able to tell who is speaking or where the voices come from?" he was asked.

"Yes, sir."

"And where does this occur?"

"When I answer the telephone."

Brigands demand your money or your life, declares Charlie Bennett. Women require both.

Al Easton: "Good morning, madam. I'm from the power company. I understand there's something in the house that won't work."

Mrs. Milligan: "You'll find him upstairs."

Mr. Crellin: "Now if I subtract 25 from 37, what's the difference?"

Ike Fedewich: "Yeah! That's what I say. Who cares?"

IN MEMORIAM

IN loving memory of Bobby, who passed away June 17, 1946. I saw a mound, this morn, still wreathed in flowers, Blowing the clay over the still form, That yesterday.

Came tripping, gaily, lissom and light, The quick measure set by life for you. He was so young, so good to look upon, So vivid with the joy of living— Then comes sorrow and hearts are bowed, The hot tears silent flow, And we cannot, may not, understand, But this we know, He lives on! Caught up to be with God forever, Of those who will not know weariness, That time cannot wither, nor the years age, Nor ever fade the sparkle in his smiling eyes.

And in the silent hours, he will pass In the presence of memory, Always radiant and always young, Sadly missed and lovingly remembered by mother and father, sisters and brothers.

NOTICE

High grass and dry fences may, in the hot, dry days ahead, constitute a real fire menace. Residents of the town are urged to consider the dangers before lighting brush or rubbish fires, or setting hot ashes where they may cause fire to start.

M. B. Gerritt, Secretary-Treasurer, Town of Strathmore.
